

Factsheet

MYOB LiveAccounts™

An easy to use online accounting solution to help you run your small business.

Designed for sole traders, start ups and smaller businesses, MYOB LiveAccounts™ is ideal for managing your invoices, expenses and GST, online.

Access whenever, wherever

With MYOB LiveAccounts™ you can manage your business from anywhere you can access the internet. This means you can run your business away from the office, interstate or overseas.

Your accounts and banking working together

Save time by linking your business bank accounts and credit cards to MYOB LiveAccounts™ and have your transactions, like the payments you make or payments you receive, securely transferred into MYOB LiveAccounts™ for you.

Easy invoicing

Creating and sending invoices is simple in MYOB LiveAccounts™. You can email invoices directly from the system or print and post them, depending on what your customer prefers.

Track your business expenses

Keeping track of your business expenses is easy using MYOB LiveAccounts™. You can then see what you owe, what's due and when at a glance.

Simple Reporting

MYOB LiveAccounts™ provides a range of frequently used reports to help you manage your business.

Always up-to-date

Using MYOB LiveAccounts™ you will never need to install another update as we take care of that for you.

Key information at a glance

MYOB LiveAccounts™ keeps you across key information about your business. You can see your business bank balances, who owes you money, your top business expenses and an estimate of the GST you currently owe or are owed.

Easy to use

We don't need to tell you that running a business can be hard work. MYOB LiveAccounts™ helps by keeping the accounting simple, so you can focus on the big stuff. On a Mac or PC, it's easy to use, includes heaps of support and you can forget installs, updates or backups – we take care of all that.

Backed up, safe and secure

We know how important your business data is which is why we use best practice standards to ensure your information is highly protected and backed up.

Teamwork

Forget swapping files and synchronising data with your accountant, consultant or bookkeeper. Being online, MYOB LiveAccounts™ lets you work together on the same facts and figures – so everyone's on the same page.

Minimum System Requirements

MYOB LiveAccounts™ requires Internet connectivity.

PC Users

Internet Explorer (v7 and above)

Mac Users

Firefox (v3 and above)
